

"The Highlights" Package includes the same professional coverage we always provide, but is a documentary style approach to wedding videography that includes a concise, artistically edited highlight clip, perfect for sharing online with family and friends.

Your Wedding Day

Ceremony- There will be two cameras shooting at your ceremony to ensure quality coverage of this important part of your day. In addition, we will record sound from multiple microphones to ensure clarity of all parts of your ceremony.

Your Reception- An experienced wedding videographer will cover all major events of the reception. We use professional lights and microphones to ensure the best coverage for all parts of your reception. Maximum total coverage time included is 6 hours.

After Your Wedding

Documentary Style Coverage- The Documentary style coverage is a minimally edited copy of all the footage from your wedding day. This is a great way to relive all the moments of your wedding exactly as they happened. Documentary footage typically runs 90-120 minutes.

Highlights Clip- The Highlights clip is a concise, artistically edited version of your entire wedding day that typically runs 7-10 minutes in length. The final DVD includes both the version you can watch on a standard DVD player and an Mpeg version perfect for uploading to your online video sharing site of choice.

Our Promise to Every Couple

Communication and Planning- Using our "Customer Center" online forum we can work together to "Storyboard" your wedding video, planning for the best possible outcome.

Collaboration- We have found that collaborating before your wedding with your photographer, disc jockey, banquet manager, and any others you have hired allows us to achieve the best possible results.

\$1 DVD Copies- Additional standard DVD copies are available for only \$1 each!

Professionalism and Experience- We have been to hundreds of weddings. We understand that each one is unique and special. We will be happy to offer advice and suggestions. We will always be professional and courteous with you, your guests and your other professionals

Your Rehearsal- If possible, we will attend the rehearsal of your ceremony to prepare our crew for your wedding day. This will help to ensure we have the plan necessary to best capture this important part of your wedding.

Additional Options:

Blu-Ray High Definition 1080- 3 Blu-Ray Discs at 1080 HD, in addition to your standard DVD copies. Additional copies of your Blu-Ray HD disc are available at \$20.00 each. A charge of \$250.00 will be added to you package price.

3 Standard definition DVD copies are included with

"The Highlights" Package.
